HandyHelp Service

Are you over 50 and need a small job doing?

Our service is for you.

Our HandyHelp scheme carries out small jobs that you would have difficulty getting a trader to do. For example: fit a curtain rail, small plumbing jobs, put up a shelf or assemble small flat pack furniture, removing leaves or snow from an entrance path, fitting security locks on doors and windows.

(Please note this scheme cannot offer decorating, gas or electrical work, but we have a separate traders list available)

The cost at 1/9/09 is £10.00 plus VAT per hour (or part thereof)

Contact 0161 746 9754 and we will estimate the cost and if you agree, arrange for our handy helper to complete the work .
